

Basic Moves

Attempt a Roguish Feat

When you **attempt a roguish feat** you are skilled in, say your goal and roll with Finesse. On a hit, you achieve your goal. On a 7-9, mark exhaustion or one risk of your feat (GM's choice) comes to bear. When you attempt a roguish feat you are NOT skilled in, you are trusting fate.

Figure Someone Out

When you **try to figure someone out**, roll with Charm. On a 10+, hold 3. On a 7-9, hold 1. While interacting with them, spend your hold 1 for 1 to ask their player a question:

- is your character telling the truth?
- what is your character really feeling?
- what does your character intend to do?
- what does your character wish I'd do?
- how could I get your character to _____?

Persuade an NPC

When you **persuade an NPC** with promises or threats, roll with Charm. On a 10+, they see things your way, provided you have given them a strong motive or reasonable bribe. On a 7-9, they aren't sure; the GM will tell you what you need to do to sway them.

Roguish Feats

Feat Name	Description	Risks
Acrobatics	Adeptly climbing, vaulting, jumping	Break something, detection, plunge into danger
Blindside	Backstab, murder, sneak attack, suckerpunch	Draw unwanted attention, leave evidence, plunge into danger
Counterfeit	Copying, forgery, fakery	Leave evidence, take too long, weak result
Disable Device	Disarming traps, turning off mechanisms	Break something, draw unwanted attention, expend resources
Hide	Disappear from view, remain hidden	Expend resources, leave evidence, take too long
Pick Lock	Open a locked door, chest, etc.	Break something, detection, plunge into danger
Pickpocket	Subtly steal from a pocket	Leave evidence, take too long, weak result
Sleight of Hand	Palming, switching, ditching, flourishes	Draw unwanted attention, leave evidence, weak result
Sneak	Get into or out of places without being seen	Break something, draw unwanted attention, plunge into danger

Read a Tense Situation

When you **read a tense situation**, roll with Cunning. On a 7-9, ask 1. On a 10+, ask 3. Take +1 when acting on the answers.

- what's my best way out / in / through?
- who or what is the biggest threat?
- who or what is most vulnerable to me?
- what should I be on the lookout for?
- who is in control here?

Trick an NPC

When you **trick an NPC** to get what you want, roll with Cunning. On a hit, they take the bait and do what you want. On a 7-9, they can instead choose one:

- they hesitate; you shake their confidence or weaken their morale.
- they stumble; you gain a critical opportunity.
- they overreact; take +1 forward against them.

Trust Fate

When you **trust fate** to get through trouble, roll with Luck. On a hit you scrape by or barrel through; the GM will tell you what it costs you. On a 10+, fortune favors the bold; your panache also earns you a fleeting opportunity.

Wreck Something

When you **wreck something**, roll with Might. On a hit, you seriously break it; it can't be used again until it's repaired. On a 7-9, you're imprecise and dangerous; you cause collateral damage, attract attention, or end up in a bad spot, GM's choice.

Help or Interfere

When you **help or interfere** with another vagabond, mark exhaustion to add +1 or -2 to their roll (after rolling). Mark exhaustion again to select one of the following:

- conceal your help or interference
- create an opportunity or obstacle

Plead with a PC

When you **plead with a PC** to go along with you, they clear 1 exhaustion if they agree to what you've proposed. You may use this move only once per session.

Risks Definitions

BREAK SOMETHING

Break something you're carrying or in the environment. Possibly mark wear.

DETECTION

Straight up get noticed by onlooker.

DRAW UNWANTED ATTENTION

Either create hostile onlookers where before no one cared, or call attention without actually being detected.

EXPEND RESOURCES

Use up supplies. Mark depletion or exhaustion as the GM chooses.

LEAVE EVIDENCE

Leave behind evidence that can later lead an investigation against you or expose your allies to retribution.

PLUNGE INTO DANGER

Seize the chance to act and run into a more dangerous situation.

TAKE TOO LONG

Take too much time, leading the situation to change around you in some meaningful way.

WEAK RESULT

Get a hard choice about exactly what you want, or just straight up don't quite get everything you want.

Weapon Moves

All vagabonds can use Engage, Grapple, or Target, if they have a weapon with the right range.

To use a special weapon move, you must have both a weapon with the appropriate tag and the weapon skill. (Improvise Weapon and Confuse Senses just require usable materials.)

By default, unarmed vagabonds do 1 exhaustion harm. Armed vagabonds do 1 injury harm.

Engage in Melee

When you **engage an enemy in melee at close or intimate range**, roll with Might. On a hit, trade harm. On a 10+, pick 3. On a 7–9, pick 1.

- inflict serious (+1) harm
- suffer little (-1) harm
- shift your range one step
- impress, dismay, or frighten your foe

Grapple an Enemy

When you **grapple with an enemy at intimate range**, roll with Might. On a hit, you choose simultaneously. Continue making choices until someone disengages, falls unconscious, or dies. On a 10+, you make one choice first, before beginning to make simultaneous choices.

- you strike a fast blow; inflict injury
- you wear them down; they mark exhaustion
- you exploit weakness; mark exhaustion to inflict 2-injury
- you withdraw; disengage to close range

Target Someone

When you **target a vulnerable foe at far range**, roll with Finesse. On a hit, you inflict injury. On a 10+, you can strike again before they get to cover—inflict injury again—or keep your position hidden, your choice.

Cleave SPECIAL

When you **cleave armored foes at close range**, mark exhaustion and roll with Might. On a hit, you smash through their defenses and equipment; inflict 3-wear. On a 7–9, you overextend your weapon or yourself: mark wear or end up in a bad spot, your choice.

Confuse Senses SPECIAL

When you **throw something to confuse an opponent's senses at close or intimate range**, roll with Finesse. On a hit, you've thrown them off balance, blinded them, deafened them, or confused them, and given yourself an opportunity. On a 10+, they have to take some time to get their bearings and restore their senses before they can act clearly again. On a 7–9, you have just a few moments.

Disarm SPECIAL

When you **target an opponent's weapon with your strikes at close range**, roll with Finesse. On a hit, they have to mark 2-exhaustion or lose their weapon—it's well out of reach. On a 10+, they have to mark 3-exhaustion instead of 2.

Harry a Group SPECIAL

When you **harry a group of enemies at far range**, mark wear and roll with Cunning. On a 10+, both. On a 7–9, choose 1.

- inflict 2-morale harm
- they are pinned or blocked

Improvise Weapon SPECIAL

When you **make a weapon out of improvised materials around you**, roll with Cunning. On a hit, you make a weapon; the GM will tell you its range tag and at least one other beneficial tag based on the materials you used. On a 7–9, the weapon also has a weakness tag.

Parry SPECIAL

When you **try to parry the attacks of an enemy at close range**, mark exhaustion and roll with Finesse. On a hit, you consume their attention. On a 10+, all 3. On a 7–9, pick 1.

- you inflict morale or exhaustion (GM's choice)
- you disarm your opponent; their weapon is out of hand, but in reach
- you don't suffer any harm

Quick Shot SPECIAL

When you **fire a snap shot at an enemy at close range**, roll with Luck. On a hit, inflict injury. On a 7–9, choose 1. On a 10+, choose 2.

- you don't mark wear
- you don't mark exhaustion
- you move quickly and change your position (and, if you choose, range)
- you keep your target at bay—they don't move

Storm a Group SPECIAL

When you **storm a group of foes in melee**, mark exhaustion and roll with Might. On a hit, trade harm. On a 10+, choose 2. On a 7–9, choose 1.

- you show them up; you inflict 2-morale harm
- you keep them off balance and confused; you inflict 2-exhaustion
- you avoid their blows to the best of your ability; you suffer little (-1) harm.
- you use them against each other; mark exhaustion again and they inflict their harm against themselves

Trick Shot SPECIAL

When you **fire a clever shot designed to take advantage of the environment at any range**, mark wear and roll with Finesse. On a 7–9, choose 2. On a 10+, choose 3.

- your shot lands in any target of your choice within range, even if it's behind cover or hidden (inflicting injury or wear if appropriate)
- your shot strikes a second available target of your choice
- your shot cuts something, breaks something, or knocks something over, your choice
- your shot distracts an opponent and provides an opportunity

Vicious Strike SPECIAL

When you **viciously strike an opponent where they are weak at intimate or close range**, mark exhaustion and roll with Might. On a hit, they suffer serious (+1) harm and cannot mark wear on their armor to block it. On a 10+, you get away with the strike. On a 7–9, they score a blow against you as well.

Travel Moves

When your band travels, time passes, and any applicable moves trigger.

Travel Through the Forest

When you travel from clearing to clearing through the forest, the band collectively decides how it travels and one member rolls:

- slowly, foraging heavily: everyone clears 2-depletion; the band collectively marks an exhaustion for each band member; -1 to the roll.
- carefully, avoiding trouble: the band collectively marks one depletion or exhaustion for each band member; +1 to the roll.
- as quickly as possible: everyone marks exhaustion and depletion; +2 to the roll.

On a hit, you pass through the forest to any clearing on the other side. Along the way, one of you spots an interesting site; you leave markers so you can return after you finish your trip. On a 10+, the transit is largely safe. On a 7-9, something from the forest is following you; you can let it track you, or every vagabond marks exhaustion to lose it. On a miss, you run afoul of one of the forest's dangers during the trip, and you can't escape it easily; deal with it before you can reach the clearing on the other side.

Travel Along the Path

When you travel from clearing to clearing along the path, the band collectively decides how it travels and one member rolls:

- at a relaxing pace: everyone clears 3-exhaustion; the band collectively marks a total of 2-depletion; -1 to the roll.
- at an average pace: everyone clears 2-exhaustion; the band collectively marks 1-depletion; +0 to the roll.
- safely, quickly, and under the radar: the band collectively marks 1-depletion for supplies; +1 to the roll.
- urgently fast: everyone marks exhaustion; +2 to the roll.

On a hit, you reach the next clearing in a timely fashion.

On a 10+, the trip is uninterrupted and quick. On a 7-9, you encounter something noteworthy on the path—a caravan, a battleground, or something else odd passing through. On a miss, you are caught in the middle of a dangerous situation before you arrive at the next clearing.

Reputation Moves

Your **Reputation** is the overall representation of how well or poorly a faction views you. **Prestige** helps you gain positive Reputation; **notoriety** pushes you towards negative Reputation.

Ask for a Favor

When you ask for a reasonable favor based on your reputation, roll with Reputation with the appropriate faction. On a hit, they'll grant you what you want. On a 7-9, it costs your rep a bit; clear one prestige or mark notoriety, your choice. On a miss, they refuse and view you with suspicion; mark notoriety.

Meet Someone Important

When you meet with someone important for the first time, roll with Reputation for their faction. On a hit, you're aware of their wider reputation (if any), and they're aware of yours (if any). On a 7-9, pick one. On a 10+, both.

- you've heard stories; ask a question about them, and the GM will tell you one story you've heard about them as an answer.
- they've heard something in your favor; take +1 forward when you first try to play up your connection with them and their faction.

On a miss, you only know the basics about them, and they've heard stories about you and the things you've done, true or false—prepare for major complications.

Sway an NPC

REQUIRES +2 OR HIGHER REPUTATION

When you try to sway an open or vulnerable NPC by appealing to their belief in your reputation, roll with Reputation for their faction. On a hit, you can change their mind about the world; say what you want them to believe, and the GM will rewrite their drive accordingly. On a 7-9, you use up some goodwill; clear 3-prestige. If you don't have enough prestige to clear, mark the remainder in notoriety. On a miss, the NPC takes the wrong message away from what you say; the GM will rewrite their drive accordingly.

Command Resources

REQUIRES +3 REPUTATION

When you command an NPC to give you significant, valuable resources, roll with Reputation for their faction. On a 10+, you get what you need as soon as they can get it to you. On a 7-9, they impose a condition on how you can use the resources, or what you must return to the faction in recompense. On a miss, they don't have what you need, but they tell you a way you can get it at a steep cost or some serious difficulty.

Draw Attention

REQUIRES -2 OR LOWER REPUTATION

When you try to publicly draw attention to yourself as an enemy of a faction, roll with Reputation for that faction, treating it as positive (+2 or +3) for this roll. On a hit, you draw out the faction's resources to oppose you; brace yourself. On a 7-9, choose 1; on a 10+, choose 2.

- the faction employs significant military strength to chase you down
- the faction deploys an available, capable NPC agent (of your choice) to chase you down
- the faction is rattled by your threat; mark 2-notoriety with them

On a miss, your enemies are already moving against you quietly; the GM tells you how they catch you unprepared.

Make a Pointed Threat

REQUIRES -3 REPUTATION

When you make a pointed threat to an NPC by wielding your reputation, roll with Reputation for their faction, treating it as positive (+3) for this roll. On a 10+, they are rattled; they must surrender, retreat, or charge, GM's choice. On a 7-9, you must make a demonstration of your dangerous intent first, before they are rattled. On a miss, your reputation precedes you; they reveal how they prepared for someone like you.
